Company Profile

update : April, 2017

A. Since our establishment in 1976 in Hong Kong, Asian Automation Associates Ltd. have been engaged in promoting USA and European electronic technology into Asia, especially China. We act as a master distributor and have an extensive sales network in Asia.

B. In 2017, we will also export China & Taiwan Technologies to the world.

C. We represent USA Danaher Motions full line AC servo Motors and direct drive AC servo motors.

D. We promote Taiwan electric products into Hong Kong and Macau, such as UIC Taiwan dry type auto transformer, Shihlin power supply products and Teco Taiwan high voltage motors.

E. We have achieved great success in promoting MEC switches from Denmark and LSI/CSI semiconductor controllers from USA into Asia.

F. For most products, we can provide full custom made solutions.
